1) Please park in the "Wait Zone" and wait in your vehicle. **Please do not block parked vehicles.** We do not have permission to park at surrounding businesses.

2) We will be distributing from Bay 1. Vehicles should back in and pull to one side or the other of the bay so we can serve two units at a time.

3) Please allow space for semi-trucks to maneuver in the parking lot.

4) To keep things moving quickly, you may be asked to help load popcorn for the person in front and/or in back of you in line.

THANK YOU!
